

The logo for Viva Metal Composite Panel features the word "Viva" in a white, stylized serif font with a registered trademark symbol. Below it, the words "Metal Composite Panel" are written in a smaller, white, sans-serif font. The logo is set against a background of abstract, flowing shapes in shades of teal, orange, and dark brown, with a bright orange glow behind the word "Viva".

Viva[®]
Metal Composite Panel

The word "PHASES" is written in a large, white, sans-serif font. It is centered horizontally and framed by four small, orange, L-shaped corner brackets, one in each corner. The background consists of abstract, flowing shapes in shades of teal, orange, and dark brown, with a bright orange glow behind the word "PHASES".

PHASES

Industry Pioneers Since 2003

Leading the way in ACP manufacturing since our establishment in 2003.

Quality Assurance

Certified by esteemed authorities like Thomas Bell-Wright (TBW), ensuring top-notch quality

Customer-Centric Approach

Commitment to customer satisfaction through cost-effective, high-quality products.

High-Quality ACP

Known for ACP sheets with Fire Retardant, Anti-Bacterial properties, Self-Cleaning features, and Anti-Scratch resilience.

State-of-the-Art Facilities

Equipped with cutting-edge machinery in our Gujarat facility for precision MCP production.

Trusted Raw Material Sourcing

We only source raw materials from certified, world-class vendors such as Hindalco, Nipon, and others.

Innovative and Fire-Safe

Pioneers of FR Class A2+ ACP in India, ensuring top-notch fire safety.

Cutting-Edge Technology

Equipped with world-class machinery and technology for top-notch products and exceptional service worldwide.

Copper Clad

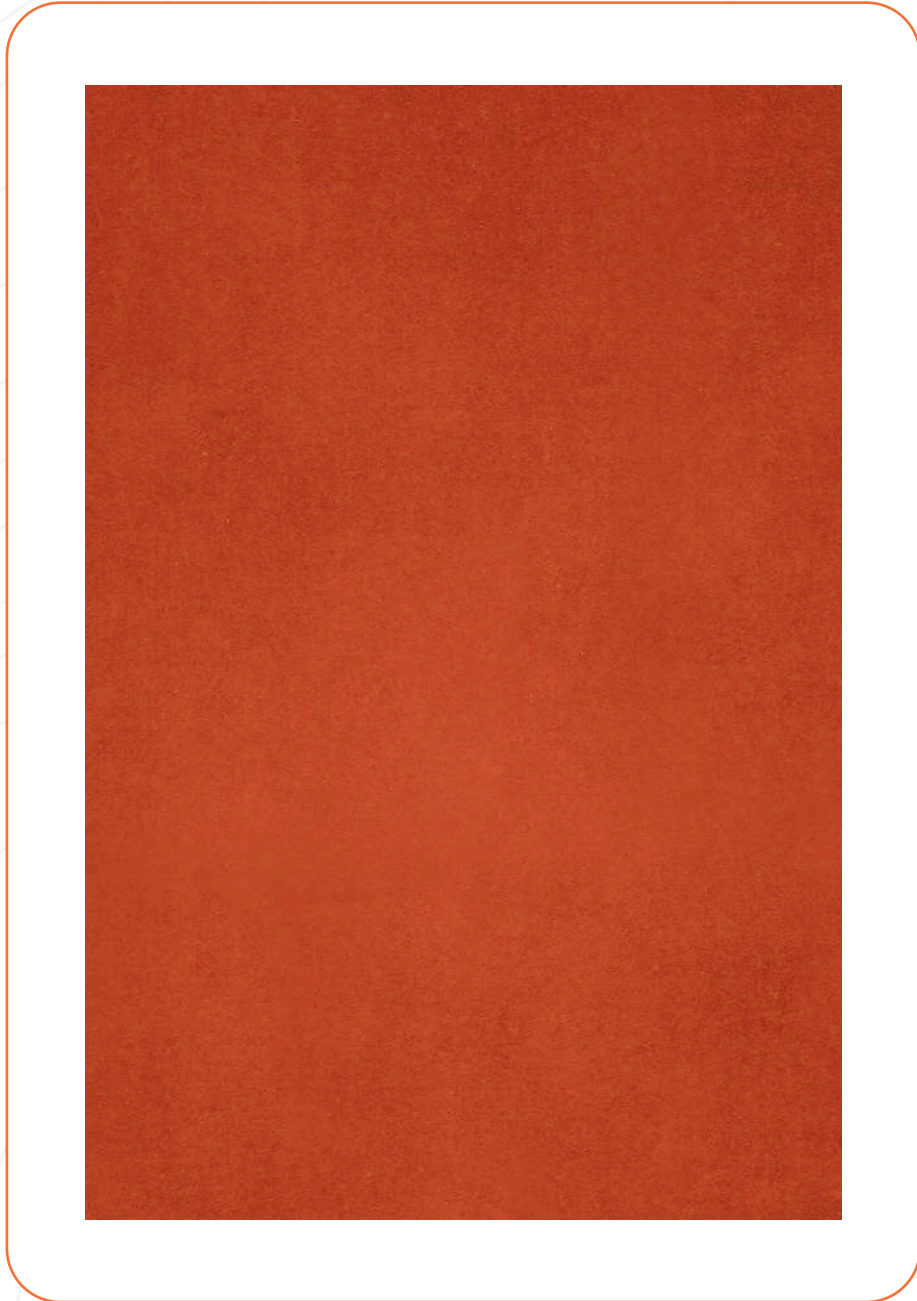

The Virtues of Copper

Copper-aluminum sheets begin with a reddish-brown shade, sometimes tinged with silver. As time passes, they acquire a green patina, not just enhancing their aesthetics but also fortifying their durability.
